

"Displaced like Jesus"

Who are *internally displaced people*? Even though the Message for the World Day of Migrants and Refugees 2020 was dedicated to them, little is known about them. Yet they number in the millions.

The **Migrants and Refugees Section** has created this activity in order to deepen understanding of the lives of internally displaced people. Take a close look, and invite your friends, your colleagues, your parish to join you! All you need are dice and a token for each player on Start. The first player to reach the End is the winner.

Special boxes (explained below) will test your knowledge, so when you finish the activity, you are sure to know more about internally displaced people and the activities of the Church to help them.
